

APPLICATION FOR ARCHITECTURAL APPROVAL

Homeowner Name: _____

Phone Number: _____ Email: _____

Address: _____

1. Please explain the proposed construction/ change for which you are seeking approval:

2. Name and phone number for contractor or party responsible for completing desired work:

3. Please give us a detailed description of the type and color materials you will be using:

PLEASE ATTACH THE FOLLOWING TO ENSURE QUICK APPROVAL PROCESS (if applicable)

- Copy of your lot plan which indicates the placement of proposed construction
- An example of final completed project (include proposed colors)
- A list of dimensions for proposed construction

I, _____ do understand that the Architectural Review Committee (ARC) approval grants to me the approval of the ARC view only, and any proposed construction may also be subject to a building permit and inspection, which may be obtained by application from the city or county where my property is located. I further understand that any fence, swimming pool, or structure which is situated within any utility and drainage set back remains subject to damage or removal at my own expense, in the event that it interferes with maintenance performed by my local utility company or is deemed necessary by the county where my property is located. I further acknowledge the Elite Housing Management shall not be held responsible in anyway, regardless of having obtained ARC approval.
