ARTICLE IV
Assessments

4.1 Purpose of Assessment. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefits, and enjoyment of the Owners and Occupants in the Community, including the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

Each Owner of any Residence, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) General Assessments; (b) Special Assessments which are such assessments to be established and collected as hereinafter provided in Section 4.5; and (c) Specific Assessments against any particular Residence which are established pursuant to the terms of this Declaration, including, but not limited to, those assessments established by Section 4.10, and Section 5.2, hereof and reasonable fines as may be imposed in accordance with the terms of the Declaration and Bylaws. General Assessments shall be Sixty-Five and no/100 Dollars (\$65.00) per calendar year, due on October 1 of each calendar year and payable in advance. The first year's General

Assessment shall be due at the closing of the sale of a lot to an Owner, with the General Assessment being prorated through October 1 of that calendar year.

4.3 Creation of Lien and Personal Obligation for Assessments. All assessments, with a late charge as set forth in Section 4.7, costs, and reasonable attorney's fees actually incurred, shall be a charge on the land and shall be a continuing lien upon the Residence against which each assessment is made unless such assessment is paid within thirty (30) days such assessment is due, which due date is set forth in Section 4.2, or as may be otherwise determined by the Board when special or specific assessment are made pursuant to Section 4.2, and Section 4.5. Each such assessment, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, shall also be the personal obligations of the Person who was the Owner of such Residence at the time the assessment fell due. Each such Owner shall be personally liable for his or her portion of each assessment coming due while he or she is the Owner of a Residence, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first Mortgage holder taking title through foreclosure proceedings or deed in lieu of foreclosure.

General Assessments and other assessments, unless otherwise provided by the Board, shall be paid in annual, semi-annual, or quarterly installments as the Board determines.

4.4 Annual Budget. It shall be the duty of the Board to prepare an annual budget covering the estimated costs of operating the Association during the coming year, which may include a capital contribution or reserve. The Board shall cause the budget and the Assessments to be levied against each Residence for the following year to be delivered to each Owner at least thirty (30) days prior to the end of the current calendar year. The Board may not, without the consent of Declarant (so long as Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article VIII hereof) and the vote or written assent of at least a Majority of the total Association vote entitled to vote thereon, impose a General Assessment per Residence which is more than one hundred twenty percent (120%) of the General Assessment for the immediately preceding fiscal year. In the event that the Board fails for any reason so to determine the annual budget for the succeeding year, then and until such time as an annual budget shall have been determined, as provided herein, the annual budget in effect for the current year shall continue for the succeeding year.

4.5 Special Assessments. In addition to the General and Specific Assessments authorized herein, the Board may levy Special Assessments in any year. So long as the total amount of Special Assessments allocable to each Residence does not exceed the amount of the current General Assessment in anyone (1) calendar year, the Board may impose the Special Assessment. Any Special Assessment which would cause the amount of Special Assessments allocable to any Residence to exceed this limitation shall be effective only if approved by a majority of the total Association vote entitled to vote thereon and with the consent of Declarant, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article VIII hereof. Special Assessments shall be paid as determined

by the Board, and the Board may permit Special Assessments to be paid in installments extending beyond the fiscal year in which such Special Assessment is imposed.

4.6 Lien for Assessments. All sums assessed against any property subject to this Declaration pursuant to this Declaration, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, as provided herein, shall be secured by a lien on such property in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such property, except for (a) liens of ad valorem taxes; and (b) liens for all sums unpaid on a first Mortgage encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

4.7 Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments which are not paid in full by the date specified by the Board, (the "Due Date"), shall be delinquent. Any Assessment delinquent shall incur a late charge of Five and No/100 Dollars (\$5.00), per day, or in such amount as the Board may from time to time determine. If the Assessments not paid by the Due Date, a lien, as herein provided, shall attach and, in addition, the lien shall include the late charge, interest on the principal amount due, and all late charges from the Due Date payable, all costs of collection, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law. In the event that the Assessment remains unpaid after ninety (90) days, the Association may, as the Board shall determine, institute suit to collect such amounts and to foreclose its lien. Each Owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Association and its agents the right and power to bring all actions against him or her, personally, for the collection of such charges as a debt or to foreclose: the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting through the Board and on behalf of Owners, shall have the power to bid at any foreclosure sale or to acquire, hold, lease, mortgage, or convey foreclosed property. No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration, but not limitation, by non-use of Common Area, or abandonment of such Owner's Residence. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay assessments being a separate and independent covenant on the part of each Owner.

All payments shall be applied first to costs and attorney's fees, then to late charges, then to interest and then to delinquent assessments.

4.8 Date of Commencement of Assessments. An Owner shall become subject to assessment hereunder at the time of purchase of a lot in Oak Stone Subdivision and as set forth in

Section 4.2. The first General Assessment shall be prorated according to the number of months remaining in the calendar year during which the Owner became subject to assessment.

4.9 Assessment Obligation of Declarant: Advance Payment. The Board is specifically authorized to enter into such advance payment contracts with Declarant or other entities as may be mutually agreed to for the payment of some portion of the Association Expenses; provided, however, the Veterans Administration shall be advised of and approve any form of such contract entered into between the Declarant and Association if the Veterans Administration is guaranteeing any Mortgage in the Community. Such contract or contracts shall be for the benefits of and enforceable by the Association.

4.10 Specific Assessments. The Board shall have the power to specifically assess pursuant to this Section as in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section.

(a) The Expenses of the Association which benefit less than all of the Residences may be specifically assessed equitably among all of the Residences which are benefited according to the benefit received.

(b) The expenses of the Association which benefit all Residences, but which do not provide an equal benefit to all Residences, may be specifically assessed equitably among all Residences according to the benefit received.

4.11 Exempt Property. The following property shall be exempt from Assessments:

(a) all property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public schools, public streets, public parks, roads, rights-of-way, streets and easements;

(b) all property owned by non-profit organizations and restricted for use as private schools or churches; provided, however, the availability of the exemption for such non-profit organizations is contingent upon prior approval by the Board; and

6.16 Site Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where this would create a traffic or sight problem.

6.17 Clotheslines, Garbage Cans, Woodpiles, Etc. All clotheslines, garbage cans, woodpiles, swimming pool pumps, filters and related equipment, air conditioning compressors and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property. All rubbish, trash, and garbage shall be regularly removed and shall not be allowed to accumulate. Declarant, however, hereby expressly reserves the right to dump and bury rocks and trees on property within the Community as needed for efficient

construction and to allow developers and builders within the Community to bury rocks and trees moved from a building site on such building site. Trash, garbage, debris, or other waste matter of any kind may not be burned within the Community, except when done during the normal construction of a residence or by Declarant.

6.18 Subdivision of Residence. No Residence shall be subdivided or its boundary lines changed except with the prior written approval of the Declarant or the Board or its designee. Declarant, however, hereby expressly reserves the right to replat any Residence or Residences owned by Declarant. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations.

6.19 Guns. The use of firearms in the Community is prohibited. The term "firearms" includes "B-B" guns, pellet guns, and firearms of all types.

6.20 Fencing. No fence or fencing-type barrier of any kind shall be placed, erected, allowed, or maintained upon any portion of the Community, including any Residence, without the prior written consent of the Board or its designee. Fencing shall be compatible with the home and have architectural interest. Flat wood fencing will not be approved. All fencing must have an arched top, be of shadow box construction and shall be built by a professional, licensed and insured fence company. No fence will be higher than six (6) feet from the final ground level to the top of the fence except by special permission of the Board. The exterior side of the fence has to be finished; specifically, the structural characteristics must be covered. All wood will be pre-stained with Bahr Brown Cappuccino Semi 529 or "Cedar" and maintained in a satisfactory manner. No chain link fence will be allowed within the subdivision. Fences, regardless of construction, will not be permitted any nearer to front lot line than the rear most corner of the dwelling except in special circumstances. In addition, fencing on a corner lot shall be no closer than twenty-five (25) feet from the property line which faces the side street.

Set forth below is a picture of the approved wood fencing for the Community:

Except for approved privacy fences erected around pools and patios, there shall be no solid fences erected in the yard's front, sides or rear of residences of Lake Lot Owners, nor any other structure closer than forty (40) feet to the back lot line. Notwithstanding the foregoing, such privacy fences and/or structures shall not in any event enclose or rest upon any of the Common Property. Wrought Iron fences, no higher than four (4) feet will be permitted on Lake Lots. Iron design must be approved, in writing, by the Board prior to installation.

Set forth below is a picture of the approved wrought iron fencing for the Community:

6.21 Utility Lines. No overhead utility lines, including lines for cable television, shall be permitted within the Community, except for temporary lines as required during construction and lines installed by or at the request of Declarant

6.22 Air-Conditioning Units. Except as may be permitted by the Board or its designee, no window air conditioning units may be installed.

6.23 Intentionally Omitted.

6.24 Artificial Vegetation, Exterior Sculpture, and Similar Items. No artificial vegetation shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, and similar items must be approved by the Board or its designee.

6.25 Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless they are an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the Board or its designee.

6.26 Above-Ground Swimming Pools. Except as may be permitted by the Board or its designee, above ground swimming pools shall not be erected.

6.27 Driveways. Except as may be permitted by the Board or its designee, driveways shall be constructed with concrete.

6.28 Exteriors. Except as may be permitted by the Board or its designee, the exterior of all improvements including, without limitation, Residences, must be constructed of at least sixty percent (60%) brick or masonry, unless otherwise approved by the Board.

6.29 Window Coverings. The portion of all window coverings visible from the exterior of any Residence shall be white or off-white or neutral unless otherwise prior approval is given by the Board or its designee. Aluminum foil on window panes, mirrored or reflective glass is not allowed.

6.30 Chimneys. All chimneys that are on the exterior wall must have either brick or stone on the three (3) exterior sides of the chimney. Interior chimneys may have either a siding or stucco product on all four (4) sides of the chimney.

6.31 Lake and Park Lot Restrictions. Notwithstanding any other subdivision restrictions, all dwellings and permitted accessory buildings constructed on lots that either abut or include one of the Community's lakes or a designated park area shall have an exterior of at least ninety percent (90%) brick and/or stone construction, including gable ends. The provision may be specifically exempted by the Board, but will only be considered because of unusual architectural constraints.

6.32 Mailboxes. Only the approved-type mailbox can be installed in the community as per the Architectural Guidelines.

6.33 Landscaping. The purpose of this restriction is to promote landscape development of single family residential lots that will preserve and appreciate the value of the development by promoting a high quality, cohesive level of landscaping. These requirements may be altered or amended at the discretion of the Board.

Guideline for Landscaping Planning:

(a) Existing vegetation and trees should be preserved whenever possible to provide screening and lend an established feeling to the Community.

(b) Shrubs should be well distributed, but not necessarily evenly spaced. Shrubs may be used for screening and to minimize the visual impact of driveways and parking areas.

(c) Earthen berms may be used to create a sense of enclosure and to screen driveways, especially if planted with shrubbery.

(d) All lawns shall be sodded with Bermuda grass. No other type of grass shall be allowed without the approval of the Board.

(e) Exterior building material colors should be considered when selecting flowering trees and shrubs so that colors will not compete with or negate each other.

(f) All trees greater than six (6) inches in diameter at breast height shall be preserved, unless removal of them is part of an approved plan.

(g) The lot shall be completely landscaped. However, planned natural areas will be allowed, provided that the lawn and the natural area form a cohesive whole.

(h) Driveways shall coordinate with topography and existing vegetation to preserve all trees greater than six (6) inches in diameter at breast height.

(i) Each lot owner must submit a landscaping plan and must completely install such plan within ninety (90) days of occupying the Residence. Additionally, each lot owner must maintain his lawn in as good or better condition than his original landscaping plan. It is not the intention of the Board to monitor every planting in the Community, but if a lawn, at the sole discretion of the Board, has deteriorated and/or was never installed properly, then the Owner will be required to bring his lot into compliance with the guidelines.

6.34 Screening of Heating and Cooling Units. All exterior heat and air conditioning compressors or air handlers must be screened from view. This can be accomplished with either vegetation, brick and/or stone. If vegetation is used, it must create a walled off effect. The screening is encouraged on all sides of the equipment, but is required on the front and side of the equipment.

6.35 Storage Tanks. Any storage tank must be approved by the Board and, if approved, must be buried, or, if they are less than fifty-gallon capacity, may, with the Board's approval, be installed above ground, if properly screened.

6.36 Intentionally Omitted.

6.37 Restriction as to Contractors or Builders. The construction of dwellings or homes within the Oak Stone Subdivision shall be performed by Builders or Contractors as approved, in writing, by the Declarant. The Owner must obtain written approval for use of a Builder or Contractor from the Declarant prior to beginning of Construction of a home on the Owner's lot. The Declarant may, from time to time, maintain a list of pre-approved Contractors or Builders from which an Owner may choose. It is the specific intent of the Declarant that this Covenant be implemented and enforced in order that homes as constructed are constructed by Builders or Contractors who consistently attempt to build homes on the basis of quality and in a timely

manner. This Covenant is not meant to imply or express an opinion by the Declarant as to the Builders' or Contractors' qualifications. In addition, this Covenant is not to be construed as an implication, suggestion or statement that the Builders or Contractors as approved by the Declarant are acting as agents, servants or employees of the Declarant, nor is it to be construed that such Builders or Contractors are subject to the right of control of the Declarant.

6.38 Architectural Standards. No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by the Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. Such exterior construction, etc. ("etc." meaning alteration, addition or erection of any nature whatsoever), shall be in accordance with the Architectural Guidelines established by the Board. No exterior construction, addition, erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, and location, and in compliance with the Architectural Guidelines, shall have been submitted in writing to and approved by the Board. The following items, without limitation, will be submitted to the Board for new home construction: house plans, site plans, landscaping plans, and exterior color and material schedule. The Board may employ architects, engineers, or other persons necessary to enable the Board to perform its review. The Board may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified persons, or an Architectural Review Committee established by the Board in accordance with the By-Laws, which shall have full authority to act on behalf of the Board for all matters delegated, and in the event of such delegation, the applicant shall be required to pay any fees charged by such architects or other qualified persons.

In the event that the Board fails to approve or to disapprove submitted plans and specifications within thirty (30) days after the plans and specifications have been submitted to it, approval will not be required, and this Section will be deemed to have been fully complied with. As a condition of approval under this Section, an Owner, on behalf of himself and his successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition or alteration. The Board, or its designee, shall be the sole arbiter of such plans and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. Any member of the Board, or its representatives, shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these restrictive covenants have been or are being complied with. Such Person or Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may record in the appropriate land records a notice of violation naming the violating Owner.

Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications, neither the Board, the members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the

Board, nor the officers, directors, members, employees, and agents of any of them, shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans or specifications and every Owner agrees that he will not bring any action or suit against Declarant, the Association, the Board, or their officers, directors, agents, or employees to recover any damages.

ARTICLE VII Insurance and Casualty Losses

7.1 Insurance. The Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Area.

The Board shall obtain a public liability policy applicable to the Common Area insuring the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents. The public liability policy shall have a combined single limit of at least One Million and No/100 Dollars (\$1,000,000.00) or a greater amount if directed by the Board during time specified in Article VIII. If available at reasonable cost, as determined in the sole discretion of the Board, the Board shall also obtain directors' and officers' liability insurance.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee, for the respective benefited parties, as further identified in subparagraph (b), below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company licensed to do business in Alabama and holding a rating of B or better as established by A. M. Best Company, Inc., if available, or, if not available, the most nearly equivalent rating.

(b) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(c) In no event shall the insurance coverage obtained and maintained by the Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, Occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

(d) All insurance policies shall be reviewed annually by one or more qualified persons.

(e) The Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners, the Declarant, and their respective tenants, servants, agents, and guests;

(ii) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

(iii) that no policy may be canceled, invalidated, or suspended on account of anyone or more individual Owners;

(iv) that no policy may be canceled, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;

(v) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(vi) that no policy may be canceled or substantially modified without at least thirty (30) days' prior written notice to the Association.

7.2 Property Insured By Association: Damage and Destruction. Immediately after the damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty. . .

Any damage or destruction shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least sixty-six percent (66%) of the total Association vote entitled to vote thereon, the Owner(s) of the damaged property, if any, and the Declarant otherwise agree, so long as the Declarant has an option unilaterally to subject additional property to this

Declaration as provided in Article VIII hereof. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however such extension shall not exceed one hundred and twenty (120) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Members, levy a Specific Assessment against all Owners. Additional Specific Assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds are available from insurance exceed the costs or repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community in a neat and attractive condition.

7.3 Property Insured by Owners: Damage and Destruction. By virtue of taking title to property within the Community, each Owner covenants and agrees with all other Owners and with the Association that each individual Owner shall carry casualty insurance insuring their Residence for its full appraised value and for casualty loss as may be defined by the insurance company as the Owner may choose. Each individual Owner further covenants and agrees that in the event of a partial loss of damage and destruction resulting in less than total destruction, the individual Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction. In the event that the structure is totally destroyed and the individual Owner determines not to rebuild or to reconstruct, the individual Owner shall clear the Residence of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction.

7.4 Insurance Deductible. The deductible for any casualty insurance policy carried by the Association shall in the event of damage or destruction, be allocated among the Persons who are responsible hereunder, or under any declaration or contract requiring the Association to obtain such insurance, for maintenance of the damaged or destroyed property.

ARTICLE VIII Annexation of Additional Property

8.1 Unilateral Annexation by Declarant. As the owner thereof or, if not the owner,

.with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until ten (10) years after the recording of this Declaration to subject all or any portion of the real property adjacent and/or contiguous to the platted subdivision of Oak Stone Subdivision to the provisions of this Declaration and the jurisdiction of the Association by filing for record a Supplementary Declaration in respect to the property being annexed. Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein.

The rights reserved unto Declarant to subject additional land to the Declaration shall not be implied or construed so as to impose any obligation upon Declarant to subject any of such additional land to this Declaration or to the jurisdiction of the Association. If such additional land is not subject to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

ARTICLE IX Easements

9.1 Easements for Encroachment and Overhang. There shall be reciprocal appurtenant easements for encroachment and overhang as between each Residence and such portion or portions of the Common Area adjacent thereto or as between adjacent Residences due to the placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than five (5) feet, as measured from any point on the common boundary between each Residence and the adjacent portion of the Common Area or as between adjacent Residences, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, Occupant, or the Association.

9.2 Easements for Use and Enjoyment of Common Area. Every Member shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to his property, subject to the following provisions:

(a) the right of the Board to charge reasonable admission and other fees for the use of any portion of the Common Area, including, without limitation, swimming pools, to limit the number of guests who may use the Common Area, to allow Persons who are not Members, such as Persons living or working in the vicinity of the Community, to use the Common Area on a regular or temporary basis and to charge or not charge a user fee therefore, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by an Owner,

his family, tenants, guests, Occupants, and invitees;

(b) the right of the Board to suspend the voting rights of an Owner and Occupant and the right of an Owner and Occupant to use the Common Area recreational facilities in the Community, if any, for any period during which any assessment which is hereby provided for remains unpaid, and, for a reasonable period of time for an infraction of the Declaration, Bylaws, use restrictions, rules and regulations or design guidelines;

(c) the right of the Board to borrow money for the purpose of improving the Common Area, or any portion thereof, or for construction, repairing or improving any facilities located or to be located thereon, and give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Area; provided, however, the lien and encumbrance of any such Mortgage given shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant, or any Residence or Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Residence or other property located within the Community (Any provision in this Declaration or in any such Mortgage given by the Board to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default thereunder shall not cancel or terminate any rights, easements or privileges herein reserved or established for the benefit of Declarant, or any Residence or Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Residence or other property located within the Community); and

(d) the right of the Board to dedicate or transfer all or any portion of the Common Area subject to such conditions as may be agreed to by the Owners. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer has been approved by at least a Majority of the Association vote present, in person or by proxy, at a meeting duly called for such purpose (or, if a meeting is not called, upon the affirmative vote of at least a Majority of the votes cast in a referendum on the issue) and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article VIII hereof, by the Declarant.

An Owner's right of use and enjoyment in and to the Common Area and facilities deemed to have made a delegation of all such rights (except for the right of ingress and egress to the Owner's property) to the Occupants of any leased Residence.

Upon the affirmative vote of the Majority of the Association vote present, in person or by proxy, at a meeting duly called for such purpose (or, if a meeting is not called, upon the

affirmative vote of at least a Majority of the votes cast in a referendum on the issue) and, so long, as the Declarant has an option unilaterally to subject additional Property to this Declaration as provided in Article VIII hereof, the consent of Declarant, the Board may alter the use of any Common Area. For example, and by way of illustration and not limitation, the Board may convert tennis courts into a basketball court or vice versa.

An Owner's right of use and enjoyment in and to the Common Area and facilities located thereon shall not give any Owner the right of ingress or egress across any Residence to obtain access to such Common Area.

9.3 Reserved Easement for the Provision of Services to the Community. There is hereby reserved to the Declarant, its successors and assigns blanket easements upon, across, above and under all property within the Community for access, ingress, egress, installation, repairing, replacing, maintaining, and removing rights-of-way, drainage facilities, floodway easements, and all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, and any other similar service such as, but not limited to, a television antenna system, cable television system, video system, or security system which the Declarant might decide to have, installed to serve the Community or any portion thereof. It shall be expressly permissible for the Declarant and its successors and assigns to install, repair, replace, maintain, and remove or to authorize the installation, replacement, maintenance, or removal of such wires, conduits, cables and other equipment related to the providing of any such utility or service. Declarant and its successors and assigns shall have full rights of ingress and egress at all times over all portions of the Community for the installation, operation, maintenance, repair, or removal of any of the foregoing utilities or services and shall have the right to remove any unauthorized obstruction placed in or on any of the foregoing easements that would, in the sole discretion of Declarant or its successors and assigns, interfere with the use of the above installation of the foregoing utilities or services. In no event shall the foregoing prohibit paving or landscaping within such easements. Declarant shall have the right to assign and convey, in whole or in part, the easements reserved by it hereunder to one or more public utility companies, quasi-public service companies, or relevant governmental authorities. All utilities except drainage installed within the above described easements shall be installed underground. This reserved easement may be assigned by Declarant by written instrument to the Association, and the Association shall accept such assignment upon such terms and conditions as are acceptable to Declarant. Rights exercised pursuant to such reserved easements shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

9.4 Easement for Entry. In addition to the right of the Board to exercise self-help as provided in Section 10.2, hereof, the Board shall have, the right, but shall not be obligated, to enter upon any property within the Community for emergency, security, and safety, which right may be exercised by the manager, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties, Except in an emergency

situation entry shall only be during reasonable ours and after notice to the Owner, and the entering party shall be responsible for any damage caused. It is intended that this right of entry shall include the right of the Board to enter to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard in the event an Owner or Occupant fails or refuses to cure the condition upon request by the Board.

9.5 Easement for Lake Maintenance. Declarant hereby expressly reserves a perpetual easement for the benefit of Declarant and its successor and assigns, across such portions of the Community, determined in the sole discretion of Declarant (or its successors and assigns), as are necessary to allow for the maintenance of a lake(s) , lakebed(s) and shoreline(s), if any, which are within the Community or which are made available for the use and enjoyment of Owners and Occupants within the Community. Such maintenance shall be repaired by the Person causing the damage at its sole expense. In order to allow the exercise of the rights created pursuant to this easement, no tree or structure may be placed within fifteen (15) feet of the line formed by the highest normal pool elevation of any lake without the prior written approval of the Board or its designee.

9.6 Easement for Property Maintenance Along Lake. Every Lake Lot Owner shall have a right and easement of access to that property located between a lake and the property line of such Lake Lot Owner as needed to perform the maintenance required under Article V.

ARTICLE X General Provisions

10.1 Enforcement. Each Owner and every Occupant shall comply strictly with the ByLaws, the rules and regulations, the use restriction and with the design guidelines, all as may be amended or modified from time to time, and with the covenants, conditions, and restrictions set forth in this Declaration, as may be amended from time to time, and in the deed to his or her property within the Community, if any. The Board may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the Bylaws, the rules and regulations, use restrictions, or design guidelines shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board, on behalf of the Association, or, in a proper case, by an aggrieved Owner or Occupant. Failure by the Board or an Owner or Occupant to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to record in the appropriate land records a notice against the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

10.2 Self-Help. In addition to any other remedies provided for herein, the Board or its duly authorized agent shall have the power to enter upon a Residence or any portion of the Community to abate or remove, using such force as may be reasonably necessary, any erection, thing or condition which violates this Declaration, the Bylaws, the rules and regulations, the use restrictions, or the design guidelines. Except in the case of emergency situations and towing, the

Board shall give the violating owner ten (10) days' prior written notice of its intent to exercise self-help. All costs incurred shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments.

10.3 Durations. The provision of this Declaration shall run with and bind the land and shall be and remain in effect perpetually to the extent permitted by law; provided, however, should any provision of Alabama law now or hereafter in effect limit the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law; and such provisions shall be automatically extended for successive periods often (10) years or such shorter period as may be allowed by law, unless such extension is disapproved at a meeting duly called for such purpose by at least a Majority of the Association vote (or, if a meeting is not called, upon the affirmative vote of at least a Majority of the Association votes as recorded by a referendum on the issue) and, so long as the Declarant has an option unilaterally to subject additional Property to this Declaration as provided in Article VIII hereof, the written consent of the Declarant. Such meeting or referendum must be held and a written instrument reflecting disapproval must be recorded within the year immediately preceding the beginning of a renewal period. Every purchaser or grantee of any interest in any real property agrees that such provisions of this Declaration may be extended and renewed as provided in this Section.

Notwithstanding anything contained herein to the contrary, these covenants and restrictions shall remain in full force and effect so long as there remains Common Area.

10.4 Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rules, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Residences subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of Mortgage loans, including for example without limitation the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, or a State or National Bank, to enable such lender or purchaser to make or purchase Mortgage loans on the Residences subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure Mortgage loans on the Residences subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Property unless any such Owner shall consent thereto in writing. Further, so long as Declarant has the right unilaterally to subject additional property to this Declaration as provided in Article VIII hereof, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not adversely affect title to the property of any Owner without the consent of the affected Owner or Occupant.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of at least a two-thirds (2/3) vote of the total

Association vote entitled to vote thereon or three-fourths (3/4) of the Board and the Declarant, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article VIII hereof. In the event of a conflict between the Board and the Association, the Board's decision controls. A meeting may be called (but shall not be required to be called) to consider and vote, upon any amendment. Amendments to this Declaration shall become effective upon recordation, unless a later effective date is specified therein.

Any procedural challenge to an amendment must be made within six (6) months of its recordation. In no event shall a change of conditions or circumstances operate to amend any provisions of the Declaration or Bylaws.

Notwithstanding anything to the contrary contained in this Section 10.4, any amendments to Article V, Section 5.1, which affect the maintenance responsibilities for the Common Area shall be approved by the City of Madison, Alabama.

10.5 Partition. The Common Area shall remain undivided, and no Owner nor any other Person shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community, the written consent of all holders of all Mortgages encumbering any portion of the property located within the Community, and, so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article VIII hereof, the consent of the Declarant.

10.6. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

10.7 Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any Person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provisions or the application of any provision which can be given effect without the invalid provision or application, and, to this end, the provisions of this Declaration are declared to be severable.

10.8 Captions.
